

The Good Future Forum

World futurists and youth leaders discuss peace, nuclear weapons, climate change and Artificial Intelligence

Basel, Switzerland

August 13–15, 2025

THE GOOD FUTURE FORUM

An intergenerational forum featuring:

- A dialogue of youth leaders with **Gerd Leonhard**, renowned World Futurist and author of *Technology vs Humanity*;
- Stories of effective policies for peace and future generations that won the **2024 World Future Policy Award** on Peace and Future Generations;
- Updates on inspiring youth projects that have been winners of the prestigious **PACEY Award**;
- Preview of the **1.5 Degrees of Peace** film planned for release in early 2026;
- Pre-launch for a new **Global AI Governance Alliance**;
- Workshops on common security & nuclear disarmament, preventing potential risks of artificial intelligence and how to effectively use the groundbreaking International Court of Justice decision on climate change.
